

BE AMAZED AT THE DIFFERENCE GOOD TO GO COMFORT FOOD MAKES TO WINTER

IT'S A HOT & STICKY WINTER

One of the pleasures of winter (if there is one) is looking forward to the 'feel good' tastes of sticky desserts, puddings, crumbles & cobblers with lashings of cream, ice cream or custard. Delights like **Hazelnut Steamed Pudding, Apple & Rhubarb Crumble, Berry & Apple Cobbler, Brioche Bread & Butter Pudding** and more.

WELLNESS IN A PAIL

The calming & nutritional properties of soup is not lost on Tartine. Our freshly made - not frozen - selection of soups are in year round demand. But winter is the peak season for: **Lamb Shanks, peas, barley & winter vegetables. Minestrone. . . pork hock butter beans & root vegetables. Cauliflower, potato & leek and more.** Available in hygienic, easy to carry air tight pails.

SAVE ENERGY . . . SAY NO TO COOKING

It's wet & cold & the last thing you want to do is shop for ingredients and prepare a main meal. But you want food that's as good as you did prepare it yourself. Consider these heat and eat time savers: **Chilli Con Carne . . . made the Tartine way, Coq Au Vin, Beef Bourguignon and more.**

HOT STUFF FOR COOL ENTERTAINING

Uncomplicated & easy is the way to go. Think trays of authentic dishes like **Lasagne (meat or vegetarian), Spanakopita, Moussaka (meat or vegetarian)** and big bowls of hot or room temp salads like **Greek Style roasted vegetables, potato bravas, French style Gratin of cauliflower, leeks & broccoli.** See also [The Party Starts Here.](#)

We don't believe you can substitute convenience for quality, so we don't. Nothing at Tartine is mass produced, everything is handmade using only fresh prime ingredients & produce with no artificial anything.

THE SNOW REPORT

There's a warning out for skiers who like the convenience of good food. Don't take any chances. Take a good supply of Tartine. Freshly made & ready to heat & eat. Delectable mains like **Indian Lamb Kofta Curry, home style Chicken Cacciatore, a salad of Red & White Quinoa & for dessert a Sticky Toffee Pudding.** Ask us about other suitable dishes, most of which are freezer friendly.

FOOD FOR FOOTY FANATICS

Whether you are barracking from the stands or the living room, AFL or the World Game (World Cup starts 14th June) Tartine scores with globally inspired small eats & snacks like: **savoury balls . . . sweet potato, pumpkin & ginger, Greek style fritters, Croquettes . . . Spanish ham, potato & parsley, Mediterranean chicken sticks, spicy sausage rolls, small pies & much more.**

PLAYING HAPPY FAMILIES

The experts maintain that the family that eats together, stays together. But in the new age of the time constraints, it is becoming harder to organise. Tartine refuses to accept defeat. Our mission is to make it easy and without compromise when it comes to taste, quality, choice and convenience with mains like **Shepherds Pie, deluxe 4 serve Pies, Lasagne, Veal Provencale, Moroccan Chicken Tagine, Cannelloni and more: salads, desserts, puddings, cakes & others sweet delights.**
